

# Enzy-Clean

Powder Enzyme Detergent & Brightener (L-33)

## Description

This product utilizes the latest ingredients that are less hazardous to environment without sacrificing performance. A highly concentrated, non-phosphated enzyme fortified detergent with brighteners for use in a wide range of applications. This mild formula allows for reduced rinsing and souring times, and extends fabric life. Contains excellent soil removing and emulsification properties. Perfect for use in linen plants, uniform rental laundries, and shirt laundries. Very effective on poly/cotton blends. EPA Safer Choice certified.

## Directions

Sort laundry by fabric type and soil load. Pre soak if necessary.

Load wash machine with linens. Do not overload. Use 4 to 8 ounces of product per 50 pounds of laundry. Do not use chlorine bleach in the wash cycle as this negates the enzyme activity. Either follow the wash cycle with a separate cycle for use with the chlorine bleach, or you may use oxygen bleach in combination with the detergent in the wash cycle.

Consult your Sales Representative for specific instructions and application set up.

## Specifications

- Color.....White
- Fragrance.....Solvent
- PH Range.....12.5
- Foam.....Medium
- Biodegradable.....Yes

## Packaging

- 25lbs

## Applications

- Institutional Facilities
- Hotels
- Nursing Homes
- Food Service

## Safety Precautions

**DANGER:** Have product container or label near you when calling poison control center or physician. This product may cause skin irritation, eye damage, and breathing problems if inhaled. Wear rubber gloves and safety goggles while handling. Wash thoroughly after handling. If needed Immediately call a poison center/doctor. Wash Contaminated clothing before reuse.

**STORAGE:** Store in cool, dry conditions in well sealed containers. Store away from foodstuff. Do not store together with acids.

**DISPOSAL:** Small amounts may be diluted with plenty of water and washed away. Dispose of bigger amounts in accordance with Local Authority requirements. The user of this material has the responsibility to dispose of unused material, residues and containers in compliance with all relevant local, state and federal laws and regulations regarding treatment, storage and disposal for hazardous and nonhazardous wastes. **See Safety Data Sheet for more information.**
