

Multi-Purpose Cleaner Concentrate (H-21)

Description

Husky is a concentrated, advanced liquid multi-purpose cleaner with quaternary ammonium compounds that are designed to tackle almost all soil types, including mold and mildew producing soils. With QAC as one of the active ingredients, this product attacks odor producing mold and mildew. It can be used as a floor cleaner for kitchens, bathrooms, garages, auto-shops, and a multitude of other surfaces such as sinks, countertops, stove ovens/ grills, bathtubs, showers, tile, toilets, marble, metal and stainless steel surfaces, garbage cans, outdoor equipment, engines, wheels, tires, and even glass!

Directions

For Extremely Tough Jobs: Use full strength, allow to penetrate then rinse.

Multi-Purpose Cleaner: Mix 1-8oz of this product per gallon of warm water depending on the job. Spray, wipe or mop surface to be cleaned, no rinse is necessary.

Consult your Sales Representative for specific instructions and application set up.
