

Liquid Color Safe Laundry Bleach (Peroxide Bleach L-16)

Description

This blend of oxygen bleaching agents is safe to use on colored fabrics. Helps to brighten and destain without the harsh effects of chlorine releasing bleaches. Helps reduce the chance of stains caused by an iron loaded water supply. Can be used with enzyme detergent systems.

Directions

Sort laundry by fabric type and soil load. Pre soak if necessary.

This product is to be injected during the wash cycle or to a separate bleach cycle. If using an automated dispensing system, place the dispenser feed tube into the product container. Continue by selecting the correct operating program. After selecting your program the dispenser will then automatically inject the correct amount of product during the cycle. Refer to MSDS for proper Personal Protective Equipment when using this product.

Consult your Sales Representative for specific instructions and application set up.

Specifications

- Color.....Clear
- Fragrance.....Solvent
- PH Range.....4-4.5
- Viscosity.....Light
- Density.....8.94lbs/Gal
- Foam.....Low

Packaging

- 5 Gallon pail
- 15 gallon drum
- 30 gallon drum
- 55 gallon drum

Applications

- Institutional Facilities
- Hotels
- Nursing Homes
- Food Service
