

Zero Kleen

Freezer Floor Cleaner (W-32)

Description

This water-soluble cleaner is perfect for cleaning floors in coolers, freezers and all other cold storage areas. Removes most soils and grime. Helps to control odors.

Directions

When used as is, this product may be used in temperatures as low as -15°F. For additional economy, product may be diluted with water. At a dilution rate of 1:1 with water, the product may be used in temperatures as low as 8°F. Sweep trash and loose soils from floor. Apply product from mop bucket with dry mop. Allow a minimum of 10-15 minutes working time. Scrub heavily soiled areas. Remove excess product from floor with mop and then dry mop again.

Consult your Sales Representative for specific instructions and application set up.
