

## Delimer/Descaler (W-19)

### Description

Ahoy removes lime, scale, milkstone, film, and light rust from: aluminum, stainless steel, porcelain, glass, etc. This product should be used to clean: dishwashers, steam tables, kettles, utensils, equipment, fixtures, faucets and shower heads, etc. Wear gloves when handling.

### Directions

This products main use is for dish machines. When using to descale a dish machine follow the provided dish machine instructions, as the instructions are different per dispenser. (Provided by SPSI). We recommend using 1/3 to a half gallon per drain tank.

When applying to other applications, apply directly to surface (Per spray bottle) . Test a small area before applying directly. Allow to penetrate surface for 1 minute. Rinse thoroughly after deliming. Refer to MSDS for proper Personal Protective Equipment when using this product.

Use at your own discretion. Consult your Sales Representative for specific instructions and application set up.
