

## Lotion Hand Soap (P-10)

# Description

An effective hand soap and cleaner designed to clean hands while leaving them feeling soft. Can be used in schools, institutions, restaurants, food prep areas, and other areas where sanitation is important.

# Directions

Dispense a small amount of soap into palm of hands and rub together to form a slight lather. Make sure to clean difficult areas (under fingernails) prior to returning to food handling area.

Consult your Sales Representative for specific instructions and application set up.
