

# Spot Tech Enzyme

## Liquid Laundry Pre Spot (L-33)

### Description

This special blend of enzymes, surfactants and solvents allow for the quick removal of many types of stains caused by food, oils, grass, body soils and many other types of organic soils. Perfect for use on collars prior to washing.

### Directions

**To Pre-Spot:** Saturate stain and let rest for at least five minutes, then launder as usual.

**To Spot Clean:** It is recommended to test an inconspicuous area. Saturate a clean white cloth, rub stain vigorously, and then blot area with clean white cloth. Repeat if necessary. Re-wash as needed.

Consult your Sales Representative for specific instructions and application set up.
