

Auto-Wash

Auto Shampoo (A-26)

Description

Auto-Wash is a high sudsing, easy-on-the-hands shampoo for vehicles with a pleasant Mountain Herb fragrance. It is specifically formulated to remove road film, grease, road salts, and other hard to remove soils. This product is well matched with our Auto-Shine.

Directions

Auto Dispensing: Place product feed tube into product container. Make sure water is turned on. The automatic dispenser will then dispense your car wash directly into your bucket. This solution is already mixed, no need to add water.

Manual Use: Mix 2oz of concentrate per gal of water.

Rinse well and dry vehicle.

Consult your Sales Representative for specific instructions and application set up.
