

# Shine-Brite

Automotive Interior Cleaner/ Tire Shine (A-43)

## Description

Shine-Brite has been specifically formulated to restore vehicle tires as well as exterior and interior trim to its optimal appearance. This product not only cleans the surface, but also helps prevent cracking, fading and discoloring. Shine Brite revitalizes vinyl, rubber and plastic, which will ultimately enhance your vehicle's deep beautiful shine .

## Directions

Shine-Brite is ready to use, there is no need to dilute product. When using, be sure to shake well. Once product has been shaken, apply product with a spray bottle. To prevent unwanted mist, apply to a cloth first. Be sure to wipe off excess. Apply as needed to maintain appearance and protection.

Consult your Sales Representative for specific instructions and application set up.
