

Mil-Don't

Bleach Cleaner & Mildew Stain Remover (H-62)

Description

Mil-Don't is a lemon scented bleach cleaner. This product is formulated to remove mildew stains from hard non-porous surfaces by spraying and then wiping off. Our special surfactant breaks the surface tension allowing the bleach to penetrate the stain and remove it.

Directions

Use on bathroom tile & grout, shower stalls, curtains, walls, and vinyl. Use on bricks, concrete, outdoor furniture, and swimming pool areas. Spray a generous amount of product on the surface, let sit for 3-5 minutes to allow complete penetration of the stain, then wipe away. Do not use on silk, wool, cotton, or leather. Product and fumes are corrosive to unprotected metal; if exposed, rinse at once.

Consult your Sales Representative for specific instructions and application set up.

Specifications

- Color.....Clear
- Fragrance.....Solvent
- PH Range.....12
- Viscosity..... Light
- Density..... 8.48lbs/Gal
- Foam.....Low

Packaging

- 1 quart
- 12/1 quart
- 4/1 gallon

Applications

- Institutional Facilities
- Hotels
- Nursing Homes
- Food Service

Safety Precautions

DANGER: Have product container or label near you when calling poison control center or physician. This product is to be only mixed with water, if mixed with other solvents it may create a gas. This product may cause skin irritation, eye damage, and breathing problems if inhaled. Wear rubber gloves and safety goggles while handling. Wash thoroughly after handling. If needed immediately call a poison center/doctor. Wash Contaminated clothing before reuse.

STORAGE: Store in cool, dry conditions in well sealed containers. Store away from foodstuff. Do not store together with acids.

DISPOSAL: Small amounts may be diluted with plenty of water and washed away. Dispose of bigger amounts in accordance with Local Authority requirements. The user of this material has the responsibility to dispose of unused material, residues and containers in compliance with all relevant local, state and federal laws and regulations regarding treatment, storage and disposal for hazardous and nonhazardous wastes. **See Safety Data Sheet for more information.**
